Disclaimer. Hill-walking and mountaineering are activities which may have an element of personal risk. Those who walk with the group should be aware of the risks and accept responsibility for their own actions and responsibility. Whilst the group's leaders are mindful of the need to minimise risk factors such as adverse weather or ground conditions, it is up to each individual to behave in a responsible manner and not jeopardize either themselves or their fellow walkers.

Booking. If you would like to join us, please phone or email the leader by 7.00pm on the Thursday immediately prior to the walk. Informal, spoken messages are easily forgotten. Prior notification helps the leader to plan transport and ensures that people are not left behind.

We suggest that each walkers makes a donation of £2.00 at the end of each walk, which are donated to Mary's Meals at the end of each year.
